

1/2/19

Tamae, Judy, Melody, Karen

Strong Roots:

1/25- Tompkins County

2/8- Steuben County

3/19- Orange County

3/22- Richmond County

1/10-1/11: Orange County Full 2 day Protective Factors Training

Logic Model

- PD committee members need to examine the logic model and return suggestions to Tamaé by next friday 1/11
- Outcome vs Output
- Including parent engagement sections
- How to better involve the communities with professional development work in addition to the Summer Institute, webinars, and Strong Roots.

Has this year long experience changed how you move forward?

What were your expectations about what this year would be like?

Where was it better than you expected to be and where did it not live up to your expectation?
