

CREDENTIALLED PARENTING EDUCATORS

JANUARY 2023

credential@nyspep.org

NYSPEP Credentialed Parenting Educators

New York State Parenting Education Partnership establishes professional standards for the field, through the Parenting Educator Credential core competencies that define knowledge and skills needed to provide high-quality programs.

The NYSPEP parenting educator credential recognizes that, as a professional in the field, an individual has obtained experience and competency in core areas of knowledge and skills for parenting educators. Evaluation of each application is based on a review by a panel of experienced peers of an individual's documented education, experience, and demonstrated competence. For each of the credential tiers, increasing levels of competencies are required.

The Parenting Educators listed here have earned the NYSPEP Parenting Educator Credential at the level identified, documenting they possess the competence and skills to help parents raise healthy, happy children in a caring and nurturing environment. Presence on this list does not represent an endorsement by NYSPEP of the educator's parenting education programs and materials.

Credentialed Parenting Educators are listed by the New York County(ies) that they serve. The credential level is designated as follows:

CPRA – Credentialed Parenting Resource Associate

CPE – Credentialed Parenting Educator

CSPE – Credentialed Senior Parenting Educator

Albany

Monica Gopaul, NYSPEP-CPE
